PROJECTS

Saylani Welfare Trust Clone Website
Developed a responsive clone website using HTML, CSS, and Bootstrap. Focused on layout structure, design consistency, and user experience.

Calculator Application
Designed a fully functional calculator with HTML, CSS, and JavaScript. Implemented mathematical functions and a clean UI/UX.

Portfolio Website
Developed a personal portfolio website to showcase projects and skills using HTML, CSS, and JavaScript. Focused on UI design and responsiveness.

Coffee Shop Website
I built a responsive website for a coffee shop, emphasizing design aesthetics and user-friendly navigation with HTML, CSS, and Bootstrap.

Product Catalog
Created an online product catalog showcasing items with HTML, CSS, and JavaScript, including interactive features for an engaging browsing experience.
